Dear Pastor,

The purpose of this letter is to share with you a new opportunity for your church family. In February 2020, Harvest will launch Christian Voice School of Ministry.

We are partnering with Christian Life Educators' Network (CLEN) and Christian Life School of Theology (CLST). CLST Global is a 501(c) 3 nonprofit that provides leadership and educational resources to train church leaders, pastors, missionaries and evangelists in local churches and communities. The staff of CLST Global provides educational resources to members of the Christian Life Educator's Network (CLEN), a nonprofit community of churches and organizations that operate Bible and Theology schools.

Programs of study include various certificates, diplomas and associates, bachelors, masters and doctor of theology degrees. Certificates, diplomas and degree are awarded after accumulating course completion units and passing course exams.

Costs include a one-time registration fee of \$50 and per course fee of \$150 which includes course materials, 10 hours of lecture, study guide and exam. Christian Voice SOM will offer eight courses per year, February – May and August – November. Classes will begin the first Thursday of each month and include Friday and Saturday as well. Please find enclosed a schedule for the 2020 school year along with brief descriptions of each course offered. An application form is also included. This can be copied for as many students as may be interested in registration.

Registration to become a student is due by January 2, 2020. Students can choose which classes they take throughout the year. Per course fee is due 30 days prior to beginning of course. Example – February course fee is due January 2.

Please join us in prayer as we offer this new resource to the body of Christ. If you would like more information or to speak with someone, please reach out to Laura Nicholls at 252-833-4898. She will be glad to answer your questions.

Sincerely,

Pastor Tad Tankard
